DONATION FORM

THANK YOU for your donation to our Guest Artist Series. Your support is a major reason we can continue to present outstanding musicians from all over the country. Patrons such as you who go above and beyond a simple ticket purchase, help make these fine concerts available to the public. As we function as an all-volunteer organization, please know that almost all of the funds generated are devoted to artist talent and marketing. We look forward to seeing you at the concerts this season. PLEASE INCLUDE this form along with your contribution.

My contribution of _____ is enclosed. I would like to be listed in the program as:

Name _____

Address _____

City _____ State _____ Zip _____

Cellphone _____ Email _____

_____ I would like to join the Pennsylvania Consort Guild to help-out with mailings and concerts. The Guild is an extension of the Board, allowing us to expand our activities and make them more efficient. Members help out by passing out tickets, helping host the event, and helping with mailings.
